

THE NUTCRACKER 2024

DONATION REQUEST

Ballet Brazos endeavors to enrich the lives of young people through the art of ballet. In order to support our community while encouraging the appreciation and love of ballet, we offer donations of two tickets to our Friday evening performance of The Nutcracker Ballet for silent auctions. If you represent a nonprofit organization and would like to make a request for a donation, please submit an application. We have a limited number of tickets we donate each year so cannot donate to all requests. We will let you know within two weeks of submitting application if you will receive a donation.

Organization:	_____
